# ABOUT KFAM AND THE INTL. YOUTH CUP

Organized by KFAM (Korea Football Association in Malaysia), the event provides a platform for youth development, international competition, and cultural exchange, both on and off the pitch.

Following two successful editions across 2025 & 2026 featuring ~60+ teams (600+ players) and 4 countries per event, the KFAM International Youth Cup has rapidly become a growing international youth football tournament in Southeast Asia.

KFAM also organizes the K-Cup for adult teams, creating competitive opportunities and strengthening football connections across Asia.
